

Guildford Gazelles Rugby

The ladies have had a great start to the season. The senior squad have already played two games and shown confidence in both. The first was a friendly home against Wimbledon on 26th September. A team they had unfortunately already lost to earlier this year in the Surrey Cup Final, were again, beaten by them with a result score of 5-22. Not bad for a playing a team 2 leagues above.

The first league game was played last weekend away at Witney. A long two hour coach trip for the team, they kept team spirit running high against a team they had never met before. It finished Guildford 22, Witney 10. A great start to the season, well done ladies! Their next

league game is home to Worthing on Sunday 17th October.

The U18 youth side also played last Sunday in an away friendly at Camberley. On a fantastic wet rugby day the girls used lots of power to drive through the muddy pitch and hand off the opposition to a fantastic win, 25-0. It was a great game that showed how far they have come in just a year of competitive playing. The girls will be clustering with Camberley and Guildfordians this season, to allow all the local girls to play a full squad game. It was a great day to play fun rugby and meet the players from all teams.

U15s (12-14) and U18s (15-17) will be playing their first league game is this Sunday 10th October at home, 2pm kick off.
